

Prez Sez:

Well This column now falls to me, Having been elected in our November meeting. First thing, I'd like to personally thank our past and very good president, Mr . Todd Parker. He has served the chapter very well and has put his heart into the chapter and it's members. I hope I can live up to his example in even a small part. He is still going to be in charge of the newsletter, and we appreciate that. Also like to thank the past chapter leaders who stepped up and served us all well. Some even were willing to endure even more abuse in the future.

Next I'd like to say that I will do everything I can to make the future for chapter 58 continue to grow and serve all us members well. I have been brainstorming about many future meeting topics and would love to hear everyone's thoughts as to what will be most interesting, and desired . We are sending out a letter to all the national EAA members of record in hopes to bring many into our chapter. I personally have very much enjoyed the past topics and many visits to others hangers and build areas. We will surely continue this aspect and branch out to many new ideas and fun events. It is always amazing to see the creativity and fantastic build abilities of our members and neighbors.

My personal planes are going nicely. The R-120, 1700 lb gross, all metal high wing, is very nearly done. The actual plane is all built, it is all painted and has been test assembled. And I am now fitting out the engine, baffles, wiring, hose's, all the fun stuff that goes in that hole up front. And I have spent quite a lot of time on my Bearhawk Patrol. Tandem, mildly aerobatic, super cub type plane. It looks like a super cub and a Decathlon, got together and had a kid. I am looking forward to flying the R-120 very soon and continuing the build of the Patrol. And I look forward to all the great fun and sharing, and camaraderie with all my fellow chapter 58 EAA'ers Hope to see you all at the social this Thursday.

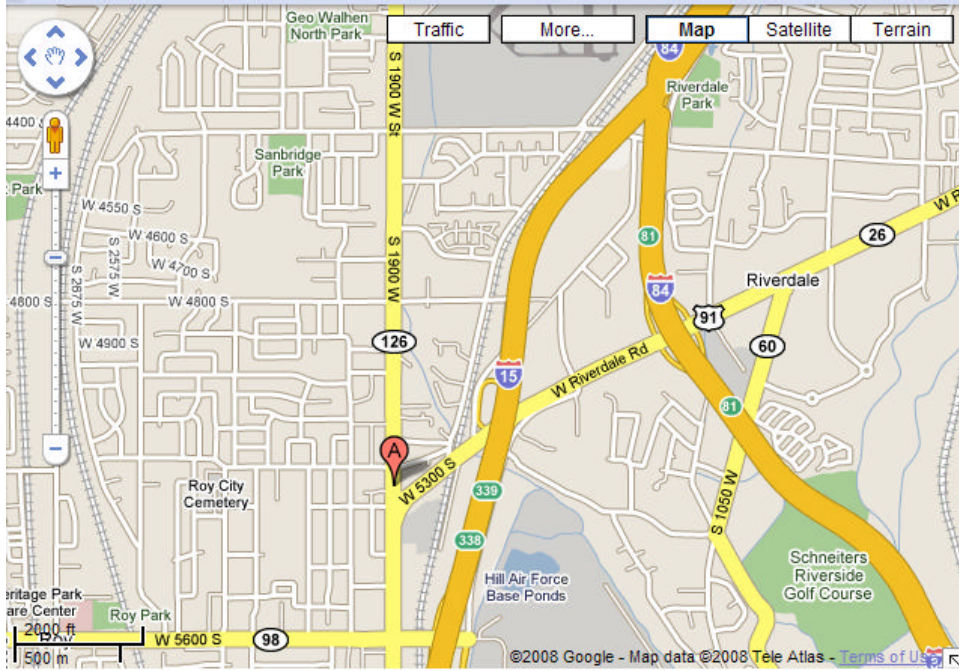

Rick Pewtress

Meeting:

Thursday Dec. 11th at 6:30 pm
We will have GREAT DOOR PRIZES!

ABC Mandarin Restaurant
In the downstairs banquet rooms

5260 S 1900 W
Roy, UT 84067
(801) 776-6361

I thought I would throw in a couple of images sent by our members to me. They were sent over a year ago, so I apologize for the fact that they are all out of date.

From John Kirkland's RV-10 project

From Dave Engen
